

Recycling Crisp Packets

Walkers Crisps – with an aim to make all their packaging sustainable by 2025 – have teamed up with recycling company Terracycle to set up a system for recycling crisp packets – not just Walkers but any crisp packets from any company.

They collect for free and give “points” that can be used to donate to local schools or charities.

See this page for full details

<https://www.terracycle.co.uk/en-GB/brigades/crisppacket>

And here is a video about the scheme

Let us set up some collection points around Henley!

Who is up for helping?
